AMERICAN PALE ALE 5.00% Our American Pale is the baby brother to our IPA. We use the exact same hops (Cascade, Centennial, Simcoe, Amarillo) to give the classic grapefruit and piney flavours. It is easy drinking and refreshing, with great depth of flavour.	7.00	10.00	12.00

ROGUE IPA 6.8% Davy, our brewer, was told by the owner that we don't need to brew an IPA. He went rogue and brewed one anyway. The result was a traditional American style IPA with big hop presence and great supporting malts. The bitterness of the hops is well integrated with the tropical & floral flavours.	8.50	12.00	13.50
PILSNER 5.0% Traditional European style pilsner, light and floral.	7.00	10.00	12.00
GINGER BEER 3.8% Brewed like a beer, we use the sugar in the malted barley as the base, creating a complex character. The malt provides a rounded mouth feel with a slight bready characteristic and a peppery, ginger finish.	6.50	9.50	11.50
ENGLISH IPA 5.9% Different from its American counterpart, this style strikes a balance between malt and hops for a more rounded flavour. A nice caramel profile is complemented by the earthy and floral English hops with a mild fruity finish provided by the English ale yeast.	7.50	11.00	13.00
